**CAUSE**

The subject's term of supervised release commenced on 1/19/2007 in the District of Nevada (D/NV). Our office recently received a letter from the subject's supervising probation officer in that district requesting the above-noted modifications.

According to the Presentence Report, the subject attempted to transport crystal methamphetamine from Nevada to Hawaii. Prior to his arrest for the instant offense, the subject's substance abuse history included the occasional use of alcohol, daily use of marijuana, and the occasional use of crystal methamphetamine. Due to the nature of the conviction and the subject's substance abuse history, the D/NV requests that a search condition and a specific drug testing condition be imposed in order to allow them to supervise the subject more effectively.

Attached is a signed Waiver of Hearing to Modify Conditions of Supervised Release. The subject waives his right to a hearing and to assistance of counsel. The subject agrees to the modifications of his supervised release. The subject's attorney and the U.S. Attorney's Office have been notified of the proposed modifications.

This report also serves to inform the Court that the D/NV will accept a transfer of jurisdiction. This transfer will expedite any future matters that may require Court intervention. Should the Court concur with the request to transfer jurisdiction in this case, Your Honor's signature is requested on both originals of Probation Form 22, Transfer of Jurisdiction.
